<TEXT>Please don't place another tax on us Senior Citizens for  
USF funding. We are retired and living on a restricted income.  
With the cost of health care increasing each year, we will not  
be able to handle and increase in our telephone expenses. We  
don't want to pay more for my telephone service! I urge you to  
reject a flat fee proposal that would change how contributions  
are made to the Universal Service Fund. I am concerned that this  
proposal could make my current service unaffordable.

We use our wireless phone for safety, security and  
convenience. I don't want to lose these benefits so that big  
businesses can pay less than their fair share. I urge you to  
reject the proposal to move the USF collection system to a  
flat-fee.

Sincerely, Gene Keilitz 195 Mathison Rd. S.
